## **Sen. Laura Toy announces Michigan Taxpayer's Guide available**

**LANSING** – The 2006 Michigan Taxpayer's Guide is now available, announced state Sen. Laura M. Toy, R-Livonia.

"This is a great resource, especially for those residents who are filing their own taxes," Sen. Toy said. "The guide is updated every year to give the most current, accurate information to people in a user-friendly format."

Among other things the booklet includes samples of the most commonly used tax forms and a discussion of the various credits for which taxpayers might qualify.

The guides are being distributed by Sen. Toy through local libraries, and city and township treasurers' offices. Residents of Garden City, Livonia, Redford Township and Westland can also call Sen. Toy's office to obtain a copy free of charge at (517) 373-1707.

People also can view a copy online at the senator's Web site, located at [www.senate.michigan.gov/gop/senator/toy](http://www.senate.michigan.gov/gop/senator/toy).

Residents can also watch for Sen. Toy's monthly cable program on their local cable station's community access channel. February's guest is a representative from the Michigan Department of Treasury discussing the most common questions and concerns of Michigan taxpayers.
